

Protecting the Public Through Science

MISSOURI STATE PUBLIC HEALTH LABORATORY

INTRODUCTION TO THE MISSOURI STATE PUBLIC HEALTH LABORATORY'S CAPABILITIES AND SERVICES (VIRTUAL TOUR) WEBINAR

Webinar Dates:

- Tuesday, April 7
 - Tuesday, September 1
- 2:00pm—3:30pm

At the conclusion of this program participants will be able to:

- Identify the different units within the MSPHL
- Describe tests and services provided by the MSPHL
- Locate and utilize references and contacts for guidance on submitting specimens to the MSPHL

Speaker:

Russ Drury

Russ Drury is the Director of the Laboratory Preparedness, Education and Safety Unit at the Missouri State Public Health Laboratory.

This 90 minute webinar will introduce Sentinel Clinical laboratories to the Missouri State Public Health Laboratory (MSPHL) and its units and available services. Students will gain an understanding of the partnership between the MSPHL and the clinical labs it serves.

This program is designed for anyone working in clinical laboratories who wish to learn about the tests and services that the State Public Health Laboratory performs in support of clinical laboratories and the service of the public health of the citizens of Missouri.
